STRONG AND RELIABLE TO PERFORM ON ANY ROAD

IVECO

YOUR ROADS NEED A TRUE PERFORMER

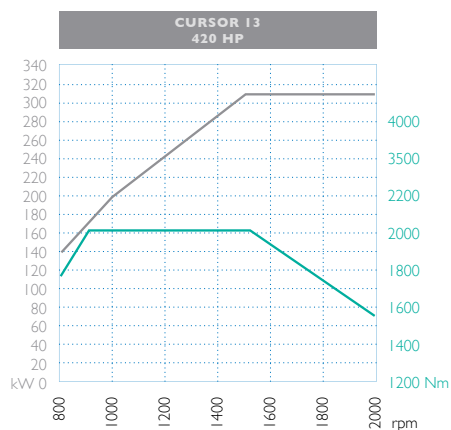

Featuring the all-new three-axle 6x4 version for enhanced traction and sustained performance in long distance haulage, the Performer truck series is ready to challenge any load as well any road, transport and weather condition. Because when the going gets tough, a Performer always delivers.

SOME APPLICATIONS FOR PERFORMER:

- ⊕ General cargo with 2 or 3 axle semitrailer
- ⊕ Container transport
- ⊕ Water and fuel tankers up to 50.000 litres
- ⊕ Flatbed for machinery transport
- ⊕ Cement transport semitrailer

PRODUCT ADVANTAGES:

- ⊕ **Reliability:** Cursor 13 engine with waste gate technology
- ⊕ **Power:** 420 horsepower with a maximum torque of 1900 Nm
- ⊕ **Safety:** disk brakes with EBL system
- ⊕ **Economy:** single reduction rear axle for high commercial speed and reduced fuel consumption
- ⊕ **Payload:** 2 inches Jost 5th wheel for up to 60 ton G.c.w.
- ⊕ **Comfort:** spacious cab with bunk, low or high roof, air conditioning, external sun visors
- ⊕ **Sturdiness:** high resistance steel chassis frame 7.7 mm thick with semielliptic suspensions
- ⊕ **Functionality:** 315/80 R 22.5 mixed route tyres with manual or automated gearbox
- ⊕ **Aerodynamics:** roof spoiler and side deflectors

VERSIONS

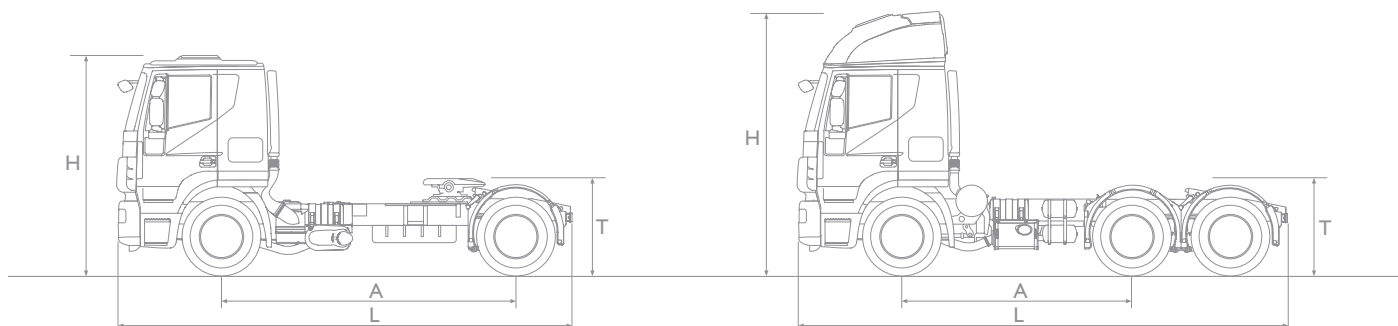

New Iveco Performer is now available in 4x2 and 6x4 tractor versions, providing a perfect combination for any challenging on road mission, combining strength, reliability and maximum comfort to match all possible customer's requirements. Its on-road personality can be adapted according to specific transport applications and driver needs, from essential basic configurations to full content versions. The comfort on board can be increased with a large set of additional optionals. Space in the cab can be enlarged with the choice of the high roof version. Driveability can be adapted with mechanical or automated Eurotronic gearboxes.

BASIC	FULL	
Tractor configuration complete with all necessary features. Practical and functional.	Configuration with additional optionals included. Available with both low or high roof. Comfortable and all included.
